Hi Mindy,

Matt and I want to make sure review the suggested responses (last column in the table) before we make any of the changes to the EA.

Thanks,
Todd

Todd,

As discussed, I expanded on what Elena had sent you and added our responses to each item in the table, indicating where no action is warranted, pointing to documents provided on SharePoint ([here](#)), or suggesting changes to references.

Let me know if you have questions.

Isabelle

Please let me know if you have further questions or would like to discuss.

I'm around this week till Friday.

Thank you.
